Breakaway

2027

SMALL GROUP ESCORTED HOLIDAYS

Brilliant Breakaways for adults with learning disabilities since 1998

Welcome to our 2027 brochure!

Thank you for choosing Breakaway. We hope you enjoy looking through our programme of holidays and short breaks designed especially for you!

Whether you are looking for a chill-out holiday at a sunny beach or luxury spa or an activity break like surfing, canal boating or horse riding, we have something for everyone.

Maybe this year you will visit France and try camping beneath the stars, or visit the amazing PortAventura theme park in Spain, or join us as we return to friendly Cyprus for some winter sun.

Closer to home, we have holidays with traditional seaside fun in Great Yarmouth, Blackpool and Eastbourne. We also have special interest holidays which are perfect if you love steam trains, TV soaps, ABBA or animals.

We have many fun festive breaks where you can celebrate with friends, meet Santa, and enjoy a Christmas goody bag. You can even cruise to Bruges Christmas market for a chocolate waffle, or grab your golden ticket to ride on the Polar Express!

Our friendly holiday courier staff will always be on hand to support you and help you enjoy your Breakaway. Our office team look forward to taking your call and helping you choose the best Breakaway for you.

Whatever you choose we look forward to seeing you for new adventures in 2027!

Support

Our experienced staff couriers travel with you to provide the support you need to enjoy a worry free break. Our small group holidays are designed for customers who are happy to join in with group activities and outings. We are not staffed for 1:1 support. We are unable to take away anyone who displays physically challenging or threatening behaviour. Some breaks have limited spaces available for customers with restricted mobility. Please visit our website for more information, and to discuss exact needs please call our office team on 01245 260 330.

BASIC DAILY SUPPORT

Our staff will support you on holiday to undertake your own personal care and daily routines. For example, setting shower temperatures, prompting to brush teeth and making appropriate clothing choices. We do not offer hands-on support for intimate personal care (including continence management). We support with money and daily spending, taking medication, road safety and menu choices. Please let us know about specific needs and routines so that we can offer the most appropriate support. Extra support above the basic level is subject to extra charges.

MEDICATION AND HEALTH CONDITIONS

Our couriers prompt and assist with the taking of medication. Please advise of the level of support required and whether the customer holds their own medications. All medication must be provided in pharmacy prepared blister packs or dosette boxes, be clearly labelled with the customer's name and come with full personalised instructions. We cannot accept medication in any other format. It is the customer's responsibility to come with sufficient medication for the duration of the holiday. Our couriers cannot source or collect medications or prescriptions if they are forgotten. All health conditions must be disclosed. You must inform us in advance if you need to bring any medical aides or equipment.

HEALTH AND SUPPORT PROFILES

To confirm your holiday booking, we must receive a complete Health and Support Profile with the full details of support required. This is to ensure that our customers and their fellow travellers can get the most from their holiday, our staff can support them safely and that the correct supplements are charged. It is your responsibility to provide us with accurate up-to-date information for each holiday booked, and we don't carry-over support profiles from holiday to holiday. The details that must be disclosed include (but are not limited to) support required for:

- Daily routines
- Socialising and communication
- Money and budgeting
- Medical conditions and diagnoses, ie. diabetes, genetic conditions, asthma, epilepsy (seizure response plan required)
- Mobility or physicality
- Continence
- Wandering and road safety
- Diet (dietary requirements or food allergies)
- Medication

Terms and Conditions

Paying the deposit for your holiday means you're accepting our Terms and Conditions of Booking and Travel and entering into a legally binding contract. These are also available on our website. Please read them carefully and ask us to explain anything you're not sure about.

HOW TO BOOK

Call us on 01245 260 330 to discuss availability, suitability, your support requirements and to pay your deposit. Then send us your signed and completed Health & Support Profile. You cannot travel unless we have received this form. Single rooms, door-to-door pickup and extra support are subject to availability and bookable for a supplementary charge.

DEPOSITS - UK DESTINATIONS

Bookings to UK destinations can be secured with payment of a non-refundable deposit of £150 per person per break, with the full balance including booked upgrades and supplements due 90 days prior to departure. If your holiday starts within 90 days of booking, the full cost, including booked upgrades and supplements, is payable straight away.

DEPOSITS - NON-UK DESTINATIONS

Bookings to non-UK destinations can be secured with payment of a non-refundable deposit of £250 per person per break, with the full balance including booked upgrades and supplements due 90 days prior to departure. If your holiday starts within 90 days of booking, the full cost, including booked upgrades and supplements, is payable straight away.

HOW TO PAY

We accept card payments by phone or online, or payment by bank transfer. We accept payments under the Direct Payments and Individual Budget schemes — please speak to your social worker or primary care provider for advice. The full balance is due 90 days before departure.

INSURANCE

You are required to have valid, appropriate travel insurance for the entire duration of your holiday and the destination to which you are travelling, including the UK. It is your responsibility to ensure you have adequate cover. If you travel without insurance, all costs for cancellation, curtailment, illness and medical expenses plus loss or damage to your property will be your responsibility. We cannot accept liability for any valuables brought on holiday.

PICK-UP AND DROP-OFF POINTS

Prices include pick up from, and return to, the meeting point confirmed on the itinerary sent to you. Usually, this is in Chelmsford. If you wish to pay for an upgrade to our door-to-door service, please ask for details. Failure to drop off or pick up at agreed times may lead to additional charges.

PASSPORTS AND TRAVEL DOCUMENTATION

You must hold a valid passport for travel outside the UK and for UK holidays which include a flight or cruise. You may require travel authorisations, visas, or other documentation for your holiday depending on the destination and date. It is your responsibility to ensure you have a valid passport and the necessary documentation. Your passport must be valid for the entire duration of your holiday and for 6 months after the return date. We recommend checking with the Passport Office and the FCDO website for the latest information on passport requirements. It is your responsibility to organise and cover the cost of any documentation required for travel. For travel to the EU from 2026, you will require an ETIAS. If you are unable to provide a valid passport or the necessary documentation at the time of departure, you will not be able to travel with us. However, you will still be liable for the full cost of your holiday, any pre-booked pickups, or returning you to your home.

MEDICATIONS AND SICKNESS

All medical conditions and diagnoses must be disclosed prior to travel. Full details of current medications, including dosage, must be provided, and all medications must be sent in a holiday blister pack. We cannot accept responsibility for support with medications provided in any other format or without full instructions. Our staff cannot source medications or collect prescriptions if medications are forgotten. If an individual does not have the medications they require, they may not be able to travel or may need to return home. If medications or support requirements change after completing the Health & Support Profile and before travel, we must be informed of changes before the holiday. All customers must provide a 24-hour emergency contact number. If a customer is unwell in a way which increases their support requirements or risks infecting others in the group, they must inform us before the holiday and may not be able to travel. Breakaway provides group holidays with customers travelling in a minibus and often also sharing bedrooms and bathrooms. If a customer is suffering from vomiting or diarrhoea or has had an episode of vomiting or diarrhoea in the 48 hours prior to travel, they must not travel due to the risk of infection to other vulnerable adults. If a customer comes away on holiday and suffers from two or more episodes of diarrhoea or vomiting, unfortunately they will need to leave the holiday group and return home. We may be able to arrange the transport, but customers will be liable for the cost. If a customer is unwell or has an accident on holiday, our staff will support them and get in touch with emergency contacts. Depending on the circumstances, they may need to return home. Customers should bring a copy of their hospital passport on holiday in case of emergency. Customers must take out travel insurance on booking the holiday and provide us with full details.

VARIATION

Prices are subject to change and should be confirmed prior to booking. We reserve the right to make changes to the activities and transport shown in our brochure without prior notice. Substitutions and alternative plans may occur depending on customers' preferences, weather and unforeseen circumstances. The images used in our brochure and website are illustrative and may not be of the destination or activities described.

FAILURE TO DISCLOSE SUPPORT NEEDS OR HEALTH CONDITIONS

All support needs must be set out in detail in the Customer Health & Support at the time of booking. We reserve the right to refuse travel and to curtail trips if your support needs have not been fully disclosed at the time of booking and all support supplements paid for in advance. The full costs of curtailment in these circumstances will be charged to the customer. We reserve the right to curtail any break if a customer displays physically challenging behaviour or makes violent threats towards our staff. Costs incurred through non-disclosure of support needs or failure to supply all required medication and personal hygiene products will be invoiced at the end of the holiday. If health or support needs change between booking and travel, you must inform us. If we cannot meet any new increased support needs, you will not be able to travel. All costs incurred because of laundering soiled and/or wet clothing and linen will be invoiced at the end of the holiday.
