These Breakaways are suitable for all customers who can join in with the featured activities shown. Please speak to us if you have any questions.

Butlin’s is always a firm favourite and we’re thrilled to be the only official agent offering supported holidays at Butlin’s and Bourne Leisure resorts.

Feeling bold? These breaks are ideal for younger customers who like travelling with a group of lively, active and independent 18-35 year olds.

These Breakaways offer accommodation suitable for our customers with mobility difficulties; using wheelchairs or walking with assistance.

These Breakaways offer a higher ratio of couriers to customers for extra daily support. We can also offer dedicated 1:1 support for an additional charge.

Some of the images used in this brochure are illustrative and may not be of the actual destination shown. If you do not wish your photo to appear in our brochures or marketing materials please let us know when you book. Content correct at time of publication. We reserve the right to change the holidays, accommodation and activities included - please check the details when booking.
WELCOME TO OUR 2019 BROCHURE

If you’re new to Breakaway you’ll see that we only provide supported holidays. Our aim since we started over twenty years ago has always been to enable adults with learning disabilities to travel independently; making new friends and visiting new destinations.

Our supported holidays and short breaks are offered as a full-board package and are designed to give you a brilliant Breakaway, with the right level of support on hand when you need it. We work with you to plan and provide the support you need and to help you choose Breakaways that match your interests and physical ability. You’ll travel with a small group of well matched customers to ensure everyone can enjoy the activities on offer.

This year we’re offering a fantastic range of Breakaways and destinations - some old favourites and some new. Whether you’re a Harry Potter fan or an animal lover, a sun-worshipper or a keen cook we’ve got something for everyone.

Our BOLD! Breakaways are ideal for younger customers aged up to about 35 who enjoy travelling with a lively group and having plenty of activities to take part in. For those with limited mobility or who need support for more complex needs look out for our FOR ALL and FOR ALL EXTRA Breakaways.

Whilst we remain committed to enabling you to travel on your own, new for this year is an opportunity for your carers and support workers to come with you for a taste of our French Breakaways - staying at the cottage in northern France. This is a great opportunity to enjoy a holiday whilst seeing how we do things “Breakaway” style.

Whatever you choose, we look forward to seeing you in 2019 for a brilliant Breakaway!

**TERMS AND CONDITIONS - BOOKING**

**HOW TO BOOK**
Once you've seen the holidays you like call us on 01245 260 330 to discuss their availability, suitability, your support requirements and to pay your deposit. This can be paid over the phone by card or by sending a cheque (made payable to Breakaway Ltd.) with your completed Booking Form. You can download a booking form by going to our website at www.breakawayhols.co.uk and clicking on 'Booking' at the top or we will send you one by email or in the post. Note: It is essential that a completed and signed booking form is received in our office before you travel. You must also complete a Customer Support Profile. We will send this to you as part of the booking process, or you can download it from our website.

**SINGLE ROOMS**
If you would like a single room, for your comfort or because of sleep problems, please request this when booking as we may have limited single rooms available. An additional nightly rate applies which varies depending on the holiday.

**HOW TO PAY**
Enquiries are welcome by phone and bookings can be secured with payment of a non-refundable deposit of £100 per person per break, followed by a completed and signed booking form. The full balance payment is due 60 days prior to departure. If your holiday starts within 90 days of booking the full cost is payable with your booking form. Debit and credit cards are accepted by phone. For payment by cheque, make payable to Breakaway Ltd. Prices are subject to change and should be confirmed prior to booking. We accept payments under the Direct Payments and Individual Budget schemes. Please speak to your social worker or primary care provider for advice.

**INSURANCE**
You are required to buy travel insurance appropriate for the destination to which you are travelling, including the UK. It is your responsibility to ensure you have adequate cover. If you travel without insurance, all costs for cancellation, curtailment, illness and medical expenses plus loss or damage to your property will be your responsibility. We recommend that you obtain an EHIC card for all travel to Europe. Your travel insurance must be valid for the entire duration of your holiday including the return date. We will need the name of your insurer, your policy number and your insurer’s 24 hour help line number before you travel with us. An EHIC covers most urgent medical costs but this varies from country to country and additional fees will be charged to the customer.

**PASSPORTS**
You must hold a valid passport for travel outside the UK and for UK holidays which include a flight. It is your responsibility to ensure you have a valid passport if needed. Your passport must be valid for the entire duration of your holiday and for 30 days after the return date. If you are unable to provide a valid passport at the time of departure you will not be able to travel with us but will still be liable for the full cost of your holiday and any pre-booked pickups. If your destination country demands other documents, travel permits, or a visa you will be notified at the time of booking and will be required to obtain them before travelling.

**PICK-UP AND DROP-OFF POINTS**
Holiday prices include pick up from, and return to, the designated meeting points confirmed on your itinerary which will be sent to you approximately one week before departure. Our main pick-up point is in Chelmsford, Essex, and some holidays include additional meeting points at locations between Chelmsford and the destination.

**TRAVEL UPGRADES**
If you wish to upgrade to our door-to-door service you may do so for an additional charge. This service is provided by our DBS-cleared transport team, and you may be collected by taxi and not by our minibus. Customers who wish to specify male or female drivers or have additional chaperones as part of our door-to-door upgrade service must request this at the time of booking. A charge will be made for this service. Please advise us of any extra equipment such as wheelchairs that you will need to bring with you. If you are unable to arrange transport to the meeting points, you will be required to pay for door-to-door service. Some departure and return dates are subject to flight availability and may vary by up to 24 hours from those stated.

**HOLIDAY AGENDAS**
We reserve the right to make changes to the programme/activities/transport shown on our brochure pages without prior notice. Substitutions and alternative plans may occur depending on customers’ preferences, weather and unforeseen circumstances.
**CANCELLATION**

We understand that occasionally you may need to cancel your holiday due to unforeseen circumstances or illness. A holiday booking is a legally binding contract and is created when we receive your booking form and deposit.

In the event you are unable to travel for any reason, we have a cancellation policy based on the estimated cost of termination and we will charge an amount dependent on the timeframe of the notice you are able to give us, set out in our Terms and Conditions below.

We strongly suggest you buy travel insurance appropriate for your holiday as it is your responsibility to ensure you have adequate insurance cover for cancellation and curtailment. In the event of cancellation for any reason the following non-refundable payments are due:

- Cancellation more than 90 days before the start of the holiday: deposit only
- Cancellation between 90 and 60 days before the start of the holiday: 50% of the full holiday cost
- Cancellation between 60 and 30 days before the start of the holiday: 75% of the full holiday cost
- Cancellation less than 30 days before the start of the holiday: 100% of the full holiday cost.

Cancellations are only accepted in writing and will be deemed as accepted on the date they arrive in the office by post, or the date acknowledged by Breakaway if submitted by email. Please note that payments made in respect of holidays that are cancelled for any reason are not transferrable to alternative holidays in any circumstances.

**ABTOT and ATOL PROTECTION**

The Association of Bonded Travel Organisers Trust Limited (ABTOT) provides financial protection under ABTOT Combined and The Package Travel and Linked Travel Arrangements Regulations 2018 for Breakaway Holidays and Weekends Limited, ATOL number 5380, and in the event of their insolvency, protection is provided for the following:

TERMS AND CONDITIONS - SUPPORT

OUR SUPPORT POLICY
Support is at the heart of what we do - it sets us apart from other holiday companies and is the reason you travel with us. We can’t stress enough the importance of disclosing to us your full support needs when you book your holiday so we can accommodate your individual requirements. The base price of your holiday includes 24 hour support for basic needs such as help with water temperatures for baths and showers, assistance with hair washing and shaving, dressing, sorting (but not laundering) clothing, safekeeping of money and prompting and assisting with medication.

1:1 support is not included on any break but can be purchased as an upgrade at £175 per night for some UK holidays and £200 per night on some European breaks. Mobility assistance to access the community can also be purchased at a cost of £400 per holiday, and is available on all Breakaways listed as FOR ALL or FOR ALL EXTRA.

Support is provided by HELP Personal Assistant Services (CQC Reg No: RGPI-1427874143), rated by the CQC as “Good” in all areas.

SUPPORT PROFILES
We ask all customers to complete a support profile detailing the full and exact support they require for daily, living, medication, medical and other conditions, mobility, communication, continence and dietary requirements. It is your responsibility to provide us with accurate up-to-date information for each holiday you book. As our customers’ needs change over time we do not “carry-over” support profiles from one holiday to the next so you may be required to complete a profile for each holiday you book. We take no responsibility for costs and consequences arising from any undisclosed support requirements.

It is essential that we are made fully aware of your support needs as failing to do so may result in understaffing and so restrict the activities in which you are able to take part. We reserve the right to refuse travel where support needs have not been fully disclosed on our Customer Support Profile and in this circumstance you waive all and any right to a refund of monies paid. All costs incurred as a result of laundering soiled and/or wet clothing and linen will be invoiced at the end of the holiday. Basic support does not include provision for waking nights. We do not offer clinical or medical support as part of our standard support package.

MEDICATION
Medication must be in clearly labelled holiday blister packs or dossette boxes with the correct combination and quantity of medication in each compartment. One pack containing all medication is required for each week, to be started on the first day of the holiday. Most pharmacists will provide medication in this format as a free service. We DO NOT accept medication in any other format including packets, bottles (unless liquids) or for periods exceeding the holiday duration. For holidays abroad bring enough medication for one extra day in case of unforeseen travel delays. Medication must be labelled with customers’ name, the name of the medication, the condition to which the medication relates and the daily dosages with times and instructions. Creams and drops must clearly state the dosage, when and where to apply and the expiration date. Couriers are trained in prompting and assisting with medication provided and cannot be held responsible for errors arising from medication supplied in other formats.

NIGHT TIME WAKING
We will provide waking night cover on request and this must be paid for at the time of booking.

WANDERING
If your safety may be compromised by wandering away from the group, please disclose this on your Customer Support Profile so that we can put appropriate measures and staffing in place. It is very important to tell us if you may sleep walk or wander at night.

MEDICAL SUPPORT
Please ensure we are notified if you have the following conditions so we can provide appropriate support: epilepsy, diabetes, asthma, heart and respiratory conditions. In the event of a medical emergency we will access services available locally.

CHALLENGING BEHAVIOUR
Customers who display challenging behaviour should make us aware of their individual communication needs to ensure we can respond appropriately in all situations whilst on holiday. Please note that our holidays are not suitable for people who display physically challenging behaviour.
SLEEP APNOEA AND SNORING
Please advise us at time of booking if you need to use Sleep Apnoea equipment or if you are a heavy snorer. These conditions can disturb other customers and you may need to book a single room.

SOCIALISING
Making friends and being part of a group is an important part of the holiday. If you have difficulties taking part in group activities, are uncomfortable in noisy or busy social groups, or present challenging behaviour in group situations, please advise us so we can offer you appropriate support.

DIETARY REQUIREMENTS
Please inform us at the time of booking if you have a food allergy or intolerance, or special dietary needs and also specify this on your Customer Support Profile to ensure that we can cater for you. Please also advise us of any recommendations relating to the consumption of alcohol.

COMPLEX NEEDS
Some holidays are unsuitable for customers with complex needs. However we have vehicles and accommodation which are suitable if you have a combination of physical and learning disabilities and are always happy to discuss your individual requirements.

ONE-TO-ONE SUPPORT
Individuals with high needs can be accommodated on most holidays with a one-to-one courier. This increases the cost of the holiday to cover the costs of the personal courier.

PHYSICALITY
Please disclose at the time of booking, and on your Customer Support Profile if you require reinforced sleeping or seating equipment or you require additional seating space on vehicles and any other mode of transportation in order to accommodate your physical size.

CONTINENCE
If you have any problems with continence, or suffer from night-time incontinence, please advise us at the time of booking so that we can ensure the right protection is in place for your comfort. Please bring your own continence products, ensuring that you bring enough to last for the duration of your holiday including those days spent travelling to and from your destination.

We reserve the right to refuse travel and to curtail trips if your needs have not been fully disclosed prior to departure. The full costs of curtailment in these circumstances will be charged to the customer. All costs incurred as a result of laundering soiled and/or wet clothing and linen, and for cleaning of furniture and vehicle seats from undisclosed continence issues will be invoiced at the end of the holiday. Costs incurred through non-disclosure of support needs or failure to supply all required medication and personal hygiene products will be invoiced at the end of the holiday. All supplements are payable in advance.

WHAT TO BRING WITH YOU

CASES AND BAGS
You can bring one medium suitcase or holdall, clearly labelled, maximum weight 18kg, and no larger than 65cm x 45cm x24cm. We reserve the right to refuse to take, or charge extra for, luggage that exceeds these dimensions.

You can also bring one small piece of hand luggage, backpack or handbag. If the holiday includes a flight please call us to check baggage allowances. The only exception is when travelling on continental holidays where we have requested that you pack an overnight bag for the journey.

CLOTHES
It is important to pack for the weather at your destination. If you are unsure of the typical weather conditions please contact us before departure. If there is a pool at your destination you will need to pack swim wear and a swim towel. We suggest you bring:
• One clean outfit for each day (plus extra in case of spills or accidents.)
• Underwear and socks for each day of the holiday plus spares and two pyjamas/nighties.
• Cardigans and/or sweatshirts for cool days and evenings even in hot climates.
• One warm waterproof coat for autumn and winter breaks, or a lightweight waterproof jacket at other times.
• A maximum of three pairs of shoes or trainers.

TOWELS AND TOILETRIES
Please pack a toothbrush, toothpaste, flannel, soap/shower gel, shampoo, towel and sun cream/block. Men to bring an electric shaver (with an adaptor if needed at the destination) or shaving foam and new razors.

SANITARY TOWELS AND CONTINENCE PROTECTION
Please ensure you have sufficient sanitary and/or continence supplies for your holiday. (If you need a large quantity of continence supplies we advise you pack them in a bag that can be disposed of or fitted into the main case at the end of the holiday.) Remember to pack bed and seating protection you would normally use.

SPENDING MONEY AND VALUABLES
All of our breaks are full board (as detailed below) but you will need spending money for drinks and for snacks, sweets and ice creams. Bear in mind that a cola or coffee abroad could cost you €5 each. We always recommend a minimum amount for each break in the holiday itinerary sent prior to travel, to cover basics and anticipated extra entrance fees for optional activities. However if you wish to buy souvenirs and gifts you will need to bring more. For foreign holidays spending money must be in euros with a little sterling for possible stops in UK.

Couriers will look after customers’ money if required. We cannot accept responsibility for the safe-keeping of mobile phones, music equipment or other valuables.

FOOD AND DRINKS
Our holidays are offered on a Full Board basis. This includes breakfast, a light lunch or picnic, and an evening meal every day. Most meals are cooked in-house by our courier team or taken in the hotel accommodation when appropriate.

CAMERAS
We always send a small selection of holiday photos as a souvenir shortly after you return from your trip and try to include individual photos of every customer. However if you wish to bring your own camera we cannot accept responsibility for its safe-keeping.
