What's Included

Our Breakaways include lots of extras as standard, to help you plan and manage your holiday budget

Meet the team

Our office and courier teams work hard to make sure you have brilliant Breakaways - here are some of their friendly faces

Welcome!

Welcome to our 2024 brochure! It was lovely seeing so many old friends and welcoming new ones on holiday last year - we had a lot of fun!

This year you will find many of your favourite destinations and some exciting new ones - we're off to Portugal, Wales and Center Parcs! We know many of you enjoy our themed holidays and 2024 offers ABBA, Elvis, The Beatles and a Disneyland Paris break plus a great selection of seasonal breaks for all the Christmas festivities.

If you've never travelled abroad before, why not try our French Summer holiday? Close to home, a short train ride takes you to the heart of the French countryside. Heated outdoor pool, sun deck, BBQs and music nights! Bonne Vacances!

We always aim to provide good value for money at Breakaway and have held 2023 prices for a number of destinations this year and kept increases to a minimum. We also don't believe in hidden costs: all our holidays are full board, include twin accommodation and travel from Essex. All you will need to bring is your suitcase and a bit of spending money. We can also offer interest free payments plans on request.

We hope you enjoy browsing our brochure and choosing your breakaways. If you need any help or information about the holiday, or just need to talk about the best supported holiday for you, call us on 01245 260330.

See you in 2024!
Katy & Penny

Your Holiday

Our experienced staff couriers travel with you to provide the support you need to enjoy a worry free break. We've summarised below what's included in the basic daily support our couriers offer. Some breaks have limited spaces available for customers with restricted mobility. Our small group holidays are designed for customers who are happy to join in with group activities and outings. Most holiday groups are 7 travellers with 2 staff couriers. We are not staffed for 1:1 support. We are unable to take away anyone who displays physically challenging or threatening behaviour. Please visit our website for more information, and to discuss exact needs please call our office team on 01245 260 330.

BASIC DAILY SUPPORT

We offer daily support such as assistance with shower temperatures, hair washing and drying, facial shaving and appropriate clothing choices. We support with money and daily spending, taking medication, road safety and menu choices. Our support is never overbearing, and we will only ever prompt and encourage. Please let us know about specific issues or routines so that we can offer the most appropriate support. Extra support above the basic level is subject to extra charges.

MEDICATION

Our couriers prompt and assist with the taking of medication. Please advise of the level of support required and whether the customer holds their own medications. All medication must be provided in pharmacy prepared blister packs or dosette boxes, be clearly labelled with the customer's name and come with full personalised instructions. We cannot accept medication in any other format (except creams/liquid). It is the customer's responsibility to come with sufficient medication for the duration of the holiday. Our couriers cannot source or collect medications or prescriptions if they are forgotten.

SUPPORT PROFILES

For customers to travel with us we must have received a complete Support Profile detailing the full and exact support required. This is to ensure that our customers and their fellow travellers can get the most from their holiday, our staff can support them safely and that the correct supplements are charged. It is your responsibility to provide us with accurate up-to-date information for each holiday booked, and we don't carry-over support profiles from holiday to holiday. The details that must be disclosed include (but are not limited to) support required for:

- Daily routines
- Socialising and communication
- Money and budgeting
- Diabetes, asthma, heart and respiratory or other medical conditions
- Epilepsy (seizure response plan required)
- Mobility or physicality
- Sleep apnoea
- Wandering and road safety
- Diet (dietary requirements or food allergies)
- Medication

Terms and Conditions

Paying the deposit for your holiday means you're accepting our Terms and Conditions of Booking and Travel and entering into a legally binding contract. These are available on our website. Please read them carefully and ask us to explain anything you're not sure about.

HOW TO BOOK

Call us on 01245 260 330 to discuss availability, suitability, your support requirements and to pay your deposit. Then send us your signed and completed booking form and support profile which we can post or email to you or can be downloaded at www.breakawaysupportedholidays.co.uk. You cannot travel unless we have received these forms. Single rooms, door-to-door pickup and extra support are subject to availability and bookable for a supplementary charge.

DEPOSITS – UK Destinations

Bookings to UK destinations can be secured with payment of a non-refundable deposit of £150 per person per break, with the full balance including booked upgrades and supplements due 90 days prior to departure. If your holiday starts within 90 days of booking the full cost including booked upgrades and supplements is payable straight away.

DEPOSITS – Non-UK Destinations

Bookings to Non-UK destinations can be secured with payment of a non-refundable deposit of £250 per person per break, with the full balance including booked upgrades and supplements due 90 days prior to departure. If your holiday starts within 90 days of booking the full cost including booked upgrades and supplements is payable straight away.

HOW TO PAY

We accept card payments by phone, and cheques made payable to Breakaway Holidays & Weekends Ltd. Please ask for our details if you wish to pay by bank transfer. We accept payments under the Direct Payments and Individual Budget schemes - please speak to your social worker or primary care provider for advice. The full balance is due 90 days before departure.

INSURANCE

You are required to have valid, appropriate travel insurance for the entire duration of your holiday and the destination to which you are travelling, including the UK. It is your responsibility to ensure you have adequate cover. If you travel without insurance all costs for cancellation, curtailment, illness and medical expenses plus loss or damage to your property will be your responsibility.

PASSPORTS AND TRAVEL DOCUMENTATION

You must hold a valid passport for travel outside of the UK and for UK holidays which include a flight or cruise. You may require vaccine passports, travel authorisations, COVID-19 testing or other documentation for your holiday depending on the destination and date. It is your responsibility to ensure you have a valid passport and the necessary documentation. Your passport must be valid for the entire duration of your holiday and for 6 months after the return date. It is your responsibility to organise and cover the cost of any documentation or testing required for travel. If you are unable to provide a valid passport or the necessary documentation or test result at the time of departure you will not be able to travel with us but will still be liable for the full cost of your holiday, any pre-booked pickups or returning you to your home. We reserve the right to pass on any additional travel costs relating to further requirements resulting from Brexit or COVID-19. We cannot accept liability for any valuables brought on holiday.

PICK-UP AND DROP-OFF POINTS

Prices include pick up from, and return to, the meeting point confirmed on the itinerary sent to you. If you wish to pay for an upgrade to our door-to-door service, please ask for details. Failure to drop off or pick up at agreed times may lead to additional charges.

FAILURE TO DISCLOSE SUPPORT NEEDS

We reserve the right to refuse travel and to curtail trips if your support needs have not been fully disclosed at the time of booking and all support supplements paid for in advance. The full costs of curtailment in these circumstances will be charged to the customer. We reserve the right to curtail any break if a customer displays physically challenging behaviour or makes violent threats towards our staff. Costs incurred through non-disclosure of support needs or failure to supply all required medication and personal hygiene products will be invoiced at the end of the holiday. All costs incurred because of laundering soiled and/or wet clothing and linen will be invoiced at the end of the holiday.

VARIATION

Prices are subject to change and should be confirmed prior to booking. We reserve the right to make changes to the programme, activities and transport shown on our brochure pages without prior notice. Substitutions and alternative plans may occur depending on customers' preferences, weather and unforeseen circumstances. The images used in our brochure and on our website are illustrative and may not be of the destination or activities described.

CANCELLATION – UK Destinations

If for any reason you cancel a holiday booked to a destination within the UK the following policy will apply and non-refundable payments will become due:

- If you cancel more than 90 days before the start of the holiday you must pay your deposit only
- If you cancel between 90 and 61 days before the start of the holiday you must pay 50% of the full holiday cost including booked upgrades and supplements
- If you cancel between 60 and 31 days before the start of the holiday you must pay 75% of the full holiday cost including booked upgrades and supplements
- If you cancel less than 30 days before the start of the holiday you must pay 100% of the full holiday cost including booked upgrades and supplements

Cancellations are only accepted in writing and will be deemed as accepted on the date they arrive in the office by post, or the date acknowledged by Breakaway if submitted by email. Please note that payments made in respect of holidays that are cancelled for any reason are not transferable to alternative holidays in any circumstances.

CANCELLATION – Non-UK Destinations

If for any reason you cancel a holiday booked to a destination outside of the UK less than 90 days before the start of the holiday you must pay 100% of the full holiday cost including booked upgrades and supplements. Cancellations are only accepted in writing and will be deemed as accepted on the date they arrive in the office by post, or the date acknowledged by Breakaway if submitted by email. Please note that payments made in respect of holidays that are cancelled for any reason are not transferable to alternative holidays in any circumstances.

COVID-19 and/or variants and other pandemic issues

We aim to ensure your holiday goes ahead, and that we can maintain a COVID-safe environment for you and our teams. If a Breakaway cannot proceed as planned due to Coronavirus and or other restrictions, we will transfer your holiday to an alternative location of our choice. We will try to provide the activities shown but where this is not possible due to location, availability, or restrictions we will substitute them with activities of our choice. No refunds will be given should you decline to travel on a relocated holiday.
